**STARTING JAN. 1, 2014** \*\*If registering a bull calf it must be TH/PHA free by parents or have testing on file with the AMAA. Any registration submitted without testing will not be registered, instead entered as a performance animal at \$10. Once testing is on file the bull calf will then be registered at the regular rate. If you are unsure if your animal or A.I. sire is tested, please contact the AMAA prior to registering to ensure registration is not delayed. Please print GeneSeek submission forms from our Web site. Testing prices are listed on the submission form.\*\*
