ELIGIBILITY & REQUIREMENTS

- Eligibility: Active AMAA adult and junior members are eligible to consign to this sale.
- Entry Submission: All entries for the Bright Lights sale will be submitted online at maine-anjou.org.
- Entry Fee: \$250 - \$100 of the \$250 entry fee will be applied to sale commission which will be on a sliding scale with a maximum of 12%. Entry fee is due at submission.

Consignments that go through the sale will have the yard charges deducted from your sale settlement.

Sales commission will apply to any total "No Sale" prices.

Entry fees are non-refundable.

Substitutions: \$50 per head.

- The following minimums must be met to be eligible for the Bright Lights Sale.
 - WDA at a minimum of 2.5 lbs (Bulls) and 2 lbs (Females).
 - Scrotal minimum of 28 c.m. on bulls under a year of age and 30 c.m. over a year of age.
 - Birthweight – bulls with a birthweight of 100 lbs are not eligible for the Bright Lights sale.
- Sale order and screening process.
 - A three man committee will screen all bulls at the sale evaluation.
 - EPDs will be provided to the screening committee to be used at their discretion.
- Each committee member will be evaluating structural and phenotypic design.
- Accumulated points & sale rubric will be used in the process to determine sale order.
 - Rubric information includes: Live evaluation, EPD profile percentile, scrotal circumference, WDA & REA benchmark.
- The number of bulls sold will not be set at a certain number.
- Bulls that accumulate a low point total may be screened from the sale. Entry fees of screened bulls are non-refundable.
- Screened bulls will be charged a yard fee to be paid by consignor to the Cattlemen's Congress.

INFORMATION

ALL CONSIGNMENTS MUST BE PHA and TH FREE. (Females & Bulls)

MAINE ANGUS

- Maine Angus – All Maine Angus animals eligible for sale must meet the Maine Angus color and testing requirements. Additionally, all Maine Angus testing must be done by December 1, 2021 or they will be listed as MaineTainers.
 - All Maine Angus nominations must have a photo submitted with entry to verify color. (Bulls & Heifers).
- Data: Scrotal circumference, WDA and ultrasound data will be made available on every sale bull.

HEALTH & DNA

- Health Certificate: An individual health certificate must accompany every consignment, made in quadruplicate and leaving blank the consignee and destination spaces. Each animal must meet the health regulations set by the state of Oklahoma for interstate shipment.
- DNA: All DNA must be submitted by November 20.
 - The sample must be at the NeoGen lab by November 20th in order to receive results back before the sale. NO EXCEPTIONS.
 - Testing will take at least 3 - 4 weeks to receive results.
 - All genetic lots must meet AMAA DNA requirements.
 - DNA may be pulled for purposes of parent verification. (At the discretion of AMAA).
- Veterinary Service: Will aid at check-in. Consignments suspected of unethical practices will be disqualified.
- Semen Test: Every bull 14 months or older at the time of the sale must have a satisfactory semen evaluation. A semen evaluation certificate must accompany the health certificate.
- Bred Females: Bred females must have written confirmation of pregnancy from a veterinarian.

OTHER

- Payment: All AMAA past due accounts will be deducted from consignor prior to payment.
