NAME OF BREEDER OF CELL DONOR: _____

BREEDER NUMBER: _____.

NAME OF CELL DONOR: _____

REGISTRATION NUMBER OF CELL DONOR: _____

REGISTRATION NUMBER OF DAM'S CELL DONOR: _____

REGISTRATION NUMBER OF CELL DONOR'S SIRE: _____

BIRTHDATE OF CELL DONOR: ____/____/____

AUTHROZIATION:

I, _____ (Breeder of cell donor) hereby give written consent for
_____ Member number: _____
to clone the above listed animal.

SIGNED: _____ DATE: _____

- **DNA Authentication** – To be eligible for registration, both the genetic donor and clone must be DNA typed. The DNA of the clone must be compared to the DNA of the original animal, meeting the probability of exclusion values.
- **Name** – CLONE must be in the name at time of registration.
- **Recorded Breeder** – Breeder of the clone should be listed as the breeder of the genetic donor at the time the original animal was conceived.
- **Recorded Owner** – Owner of the clone should be listed as the first owner of the cloned animal.
- Breeder seeking to clone an animal must be an active member with AMAA. The cloned animal must be submitted for registration to obtain a temporary number in order to submit DNA testing.
