

REACHING BEYOND
MAINE-ANJOU FOUNDATION
EST 2014

BUILDING A FUTURE WE CAN BE PROUD OF.

Reaching Beyond Maine-Anjou Foundation

The Reaching Beyond Maine-Anjou Foundation (RBMAF) invites you to become involved in a cause that will help cement the future of the Maine-Anjou breed for generations to come.

The RBMAF is a part of the American Maine-Anjou Association, a non-profit organization, to fund and support programs for youth, education and research. Funded youth, education, and research programs will be directly influenced by the needs of the Maine-Anjou breed and beef industry.

PURPOSE:

- < Provide added scholarship opportunities for deserving Maine-Anjou youth.
- < Provide continuing education opportunities for both youth and adult Maine-Anjou members.
- < Provide enhancement to Maine-Anjou research projects.

PROCESS:

Anyone can contribute to RBMAF with a gift of any size. Those gifts can come in variety of different ways and leave a lasting legacy. The list below highlights the most common variations.

- < Cash
- < Outright gift of stock and/or real estate
- < Bequest in will
- < Life income gifts
- < Gifts of life insurance
- < Gifts of retirement assets

When thinking of making charitable gifts or bequests to RBMAF we encourage you to seek advice of a financial planning/tax advisor before making any decisions about the type and scope of that charitable gift.
